

Island Scorecard

Rate the foundation of your life honestly. No flattery. No self-hatred. Truth.

Score each pillar from 1 to 10. A low score is not a sentence. It is a location. Once you know where the weak ground is, you can begin to build.

Pillar	Question	Score 1-10	One Action
Body	Do I respect how I care for my body?		
Work and Money	Am I building skill, value, and financial clarity?		
Mission	Do I know what I am building beyond comfort and survival?		
Brotherhood	Do I have men in my life who sharpen me?		
Home and Order	Does my environment reflect self-command?		
Values	Do I know my code and live by it when it costs me?		
Emotional Discipline	Can I feel strongly without being ruled?		
Solitude	Can I be alone without escaping myself?		
Standards With Women	Do I choose women from clarity or hunger?		
Spiritual Weight	Do I serve something higher than mood, pleasure, and ego?		

Which pillar is strongest?

Which pillar is weakest?

Which pillar am I avoiding because it scares me?

Which pillar would improve the rest fastest?
